Aim: To execute pandous program to create bor grouph of trending volume of stock between two specific data pseudocode:

- e import the required libraries: pandas & matplotlib
- & convert the data column to datetime format
- & Filter datadrame to only include data between the specified stort
- + plot a bar chart trading volumes even display plot

Alphabet inc. Cstock) database.

sample output:

result: Therefore the pandas program for trading volume has been executed succentuly

```
# Plotting the trading volume as a bar chart
plt.figure(figsize=[10, 6])
filtered_data['Volume'].plot(kind='bar', title='Trading Volume of Alphabet Inc. (Jan 2020)', ylabel='Volume', xlabel='Date')
plt.xicks(rotation=45)
plt.show()

## Figure 1
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                Trading Volume of Alphabet Inc. (Jan 2020)
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             1e6
